## University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy Cultural Diversity Requirements (United States and International Cultures).
$W, M, X$, and $Y$ are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

General Education includes Foundations (GWS and GQ), Knowledge Domains (GHW, GN, GA, GH, GS) and Integrative Studies (Inter-domain) requirements. N or Q (Honors) is the suffix at the end of a course number used to help identify an Inter-domain course, but the inter-domain attribute is used to fill audit requirements. Foundations courses (GWS and GQ ) require a grade of ' C ' or better.

## Program Notes

- Students are encouraged to take HDFS 312 W in semester 3 , if possible.
- In consultation with an adviser, students will find a faculty member during their 5th or 6th semester to serve as the supervisor for HDFS 494 , research project. This is a two-semester senior-year project culminating in semester 8 research paper.

## Advising Notes

- Math 21 is considered the standard 1st semester GQ. Students are encouraged to check with their adviser on the appropriate math sequencing if not placed in MATH 21 first semester.
- It is recommended that General Education Arts (GA) and Humanities (GH) be taken in junior and senior year if student plans to study abroad.
- HDFS US cultures requirement suggested in semester 5 is in addition to the University Requirement.
- HDFS 315 satisfies the University Requirement for US cultures.
- IL may be combined with GA, GH, or GS.
- Credit adjustments should be made if free elective credits are needed for a total of 120 credits minimum (which includes semester 8 ).
