

MANAGEMENT, MINOR

Requirements for a minor may be completed at any campus location offering the specified courses for the minor. Students may not change from a campus that offers their major to a campus that does not offer their major for the purpose of completing a minor.

Career Paths

A minor in Management can be earned by students in many Penn State degree programs, meaning that your opportunities are endless. Students with management minors may pursue their own entrepreneurial endeavors, or begin their careers in contexts such as human resources or operations management, in assistant roles. Talk with your academic adviser and your campus Career Services office about how your chosen major & career intentions can be enhanced with a management minor.
