MEDICAL LABORATORY TECHNOLOGY, A.S.

Begin Campus: Hazleton, Schuylkill
End Campus: Hazleton

Degree Requirements
For the Associate in Science degree in Medical Laboratory Technology, a minimum of 72 credits is required:

<table>
<thead>
<tr>
<th>Requirement</th>
<th>Credits</th>
</tr>
</thead>
<tbody>
<tr>
<td>General Education</td>
<td>21</td>
</tr>
<tr>
<td>Requirements for the Major</td>
<td>63-65</td>
</tr>
</tbody>
</table>

12 of the 21 credits for General Education are included in the Requirements for the Major. This includes: 3 credits of GWS courses; 6 credits of GN courses; 3 credits of GQ courses.

Scheduling of courses in summer session depends on campus location.

General Education
Connecting career and curiosity, the General Education curriculum provides the opportunity for students to acquire transferable skills necessary to be successful in the future and to thrive while living in interconnected contexts. General Education aids students in developing intellectual curiosity, a strengthened ability to think, and a deeper sense of aesthetic appreciation. These are requirements for all baccalaureate students and are often partially incorporated into the requirements of a program. For additional information, see the General Education Requirements (https://bulletins.psu.edu/undergraduate/general-education/associate-degree-general-education-program/) section of the Bulletin and consult your academic adviser.

Foundations (grade of C or better is required.)
• Quantification (GQ): 3 credits
• Writing and Speaking (GWS): 3 credits

Knowledge Domains
• Arts (GA): 3 credits
• Humanities (GH): 3 credits
• Social and Behavioral Sciences (GS): 3 credits
• Natural Sciences (GN): 3 credits

Foundations or Knowledge Domains
• A General Education course selected from GWS, GQ, GN, GA, GH, or GS, and may include Integrative Studies (Inter-domain or Linked) courses: 3 credits

The keystone symbol appears next to the title of any course that is designated as a General Education course. Program requirements may also satisfy General Education requirements and vary for each program.

University Degree Requirements

Cultures Requirement
3 credits of United States (US) or International (IL) cultures coursework are required and may satisfy other requirements.

Writing Across the Curriculum
3 credits required from the college of graduation and likely prescribed as part of major requirements.

Total Minimum Credits
A minimum of 60 degree credits must be earned for a associates degree. The requirements for some programs may exceed 60 credits. Students should consult with their college or department adviser for information on specific credit requirements.

Quality of Work
Candidates must complete the degree requirements for their major and earn at least a 2.00 grade-point average for all courses completed within their degree program.

Limitations on Source and Time for Credit Acquisition
Credit used toward degree programs may need to be earned from a particular source or within time constraints (see Senate Policy 83-80 (http://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#83-80)). For more information, check the Suggested Academic Plan for your intended program.

Requirements for the Major
To graduate, a student enrolled in the major must earn a grade of C or better in each course designated by the major as a C-required course, as specified by Senate Policy 82-44 (http://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#82-44).

Code | Title | Credits
--- | --- | ---
--- | --- | ---
--- | --- | ---
CAS 100 | Effective Speech | 3
CHEM 110 | Chemical Principles I | 3
CHEM 111 | Experimental Chemistry I | 1
CHEM 202 | Fundamentals of Organic Chemistry I | 3
ENGL 15 | Rhetoric and Composition | 3
MICRB 201 | Introductory Microbiology | 3
MICRB 202 | Introductory Microbiology Laboratory | 2

Prescribed Courses: Require a grade of C or better

MICRB 150 | Introductory Medical Laboratory Technology | 4
MICRB 151A | Clinical Chemistry for Medical Laboratory Technicians | 5
MICRB 151B | Hematology for Medical Laboratory Technicians | 5
MICRB 151C | Immunohematology and Serology for Medical Laboratory Technicians | 4

MICRB 151D | Clinical Chemistry Practicum | 2
MICRB 151E | Hematology Practicum | 2
MICRB 151F | Immunohematology Practicum | 2
MICRB 151G | Clinical Microbiology and Body Fluids Practicum | 2
MICRB 151W | Clinical Microbiology and Body Fluid Analysis for Medical Laboratory Technicians | 5

Additional Courses

CMPSC 100 | Computer Fundamentals and Applications | 3
or MIS 103 | Microcomputer Applications in Business | 8
