PHYSICAL THERAPIST ASSISTANT, A.S.

**Begin Campus:** DuBois, Fayette, Hazleton, Mont Alto, Shenango

**End Campus:** DuBois, Fayette, Hazleton, Mont Alto, Shenango

**Program Description**

This major helps prepare individuals to provide physical therapy services under the direction of a physical therapist in an ethical, safe and effective manner. Students develop knowledge and skills in data collection and the appropriate use of equipment and exercise associated with various physical therapy treatment modalities. In order to accomplish these tasks, the major utilizes a combination of basic science and non-science course work coupled with courses specifically designed for the physical therapist assistant student. Students must progress through the program as prescribed by the recommended academic plan for their campus of admission. The program culminates with full-time clinical experiences.

The size of each entering class is limited so that optimal clinical experiences and practical application situations can be maintained. Clinical affiliations are maintained over a wide geographical area, and students may be required to make special housing and transportation arrangements for the clinical phase. Prior to the beginning of the clinical practicum, PTA students are required to complete clinical requirements that may include, but are not limited to: health examination, immunizations, FBI fingerprint check, child abuse clearance, state background check and drug screening. Students will be responsible for completion and purchase of the necessary checks/clearances through a University approved vendor and providing results to the clinical sites.

In addition to a PTA certification/licensure, many state licensing boards and clinical facilities require a criminal background check, child abuse clearance, and a drug screening. Students with criminal records should contact the physical therapy licensing board in the state they plan to practice prior to applying for admission to the PTA Program to inquire about potential restrictions for licensure.

**What is a Physical Therapist Assistant?**

Physical Therapist Assistants (PTAs) work as part of a team providing physical therapy services under the direction and supervision of a licensed physical therapist. PTAs implement interventions outlined in the physical therapist’s plan of care, collect data related to interventions, and modify selected interventions to progress patients to meet their individual goals. Individual treatment goals are designed to reduce pain, restore function, improve mobility and prevent disability. An Associate in Science Degree in Physical Therapist Assistant requires 5-semesters of study, including three full-time clinical practicums. The PTA Program prepares graduates to take a national examination for certification/licensure as a PTA.

**You Might Like This Major If...**

You might like this major if you are interested in working with people of all ages who have medical problems or other health-related conditions that limit their ability to move and perform functional activities in their daily lives. PTAs work under the direction and supervision of a licensed physical therapist to provide meaningful interventions, such as exercise, training for walking and other activities, and the use of physical agents and electrotherapy.

**Entrance to Major**

Students must request a Dean’s review to change to this Associate degree after admission to the University.

**Additional Information**

In addition to a PTA certification/licensure, many state licensing boards and clinical facilities require a criminal background check, child abuse clearance, and a drug screening. PTA students are required to complete clinical requirements that may include FBI fingerprint check, child abuse clearance, state background check and drug screening prior to the beginning of the clinical practicum. Students will be responsible for completion and purchase of the necessary checks/clearances through a University approved vendor and providing results to the clinical sites. Students with criminal records should contact the physical therapy licensing board in the state they plan to practice prior to applying for admission to the PTA Program to inquire about potential restrictions for licensure.

**Degree Requirements**

**For the Associate in Science degree in Physical Therapist Assistant, a minimum of 70 credits is required:**

**General Education**

Connecting career and curiosity, the General Education curriculum provides the opportunity for students to acquire transferable skills necessary to be successful in the future and to thrive while living in interconnected contexts. General Education aids students in developing intellectual curiosity, a strengthened ability to think, and a deeper sense of aesthetic appreciation. These are requirements for all baccalaureate students and are often partially incorporated into the requirements of a program. For additional information, see the General Education Requirements (http://bulletins.psu.edu/undergraduate/general-education/associate-degree-general-education-program) section of the Bulletin and consult your academic adviser.

**Foundations (grade of C or better is required.)**

- Quantification (GQ): 3 credits
- Writing and Speaking (GWS): 3 credits

**Knowledge Domains**

- Arts (GA): 3 credits
- Humanities (GH): 3 credits
- Social and Behavioral Sciences (GS): 3 credits
- Natural Sciences (GN): 3 credits

**Foundations or Knowledge Domains**

- A General Education course selected from GWS, GQ, GN, GA, GH, or GS, and may include Integrative Studies (Inter-domain or Linked) courses: 3 credits

The Keystone symbol appears next to the title of any course that is designated as a General Education course. Program requirements may also satisfy General Education requirements and vary for each program. 9-12 of these 21 credits are included in the Requirements for the Major.
University Degree Requirements

Cultures Requirement
3 credits of United States (US) or International (IL) cultures coursework are required and may satisfy other requirements.

Writing Across the Curriculum
3 credits required from the college of graduation and likely prescribed as part of major requirements.

Total Minimum Credits
A minimum of 60 degree credits must be earned for a associates degree. The requirements for some programs may exceed 60 credits. Students should consult with their college or department adviser for information on specific credit requirements.

Quality of Work
Candidates must complete the degree requirements for their major and earn at least a 2.00 grade-point average for all courses completed within their degree program.

Limitations on Source and Time for Credit Acquisition
Credit used toward degree programs may need to be earned from a particular source or within time constraints (see Senate Policy 83-80 (http://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#83-80)). For more information, check the Suggested Academic Plan for your intended program.

Requirements for the Major
This includes 9-12 credits of General Education courses; 3-6 credits of GWS courses; 3 credits of GN courses; 3-6 credits of GS courses.

To graduate, a student enrolled in the major must earn a grade of C or better in each course designated by the major as a C-required course, as specified by Senate Policy 82-44 (http://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#82-44).

Code Title Credits
---
Prescribed Courses
ENGL 15  Rhetoric and Composition  3
PSYCH 100  Introductory Psychology  3

Prescribed Courses: Require a grade of C or better
BIOL 129  Mammalian Anatomy  4
BIOL 141  Introductory Physiology  3
BIOL 142  Physiology Laboratory  1
PT 100  Physical Therapist Assistant—Introduction  3
PT 120  Human Musculature and Functional Anatomy  2
PT 150  Physical Therapist Assistant Procedures I  2
PT 160  Therapeutic Exercise I  3
PT 250  Physical Therapist Assistant—Procedures II  3
PT 260  Therapeutic Exercise—II  3
PT 285  Clinical Reasoning for the PTA  2
PT 290  Professional Issues in Clinical Practice  1
PT 384  Applied Kinesiology  4
PT 395E  Physical Therapist Assistant—Practicum I  3
PT 395F  Physical Therapist Assistant—Practicum II  4
PT 395G  Physical Therapist Assistant—Practicum III  4

Additional Courses
Select one of the following:
- CAS 203  Interpersonal Communication  3
- ENGL 202C  Effective Writing: Technical Writing
- HDFS 129  Introduction to Human Development and Family Studies
- PSYCH 212  Introduction to Developmental Psychology
- PSYCH 270  Introduction to Abnormal Psychology

Select one of the following:
- PT 270  Pathophysiology  5
- PT 270W  Pathophysiology
- PT 271  Pathophysiology I
- PT 272  Pathophysiology II
- PT 271W  Pathophysiology I
- PT 272  Pathophysiology II

Select one of the following:
- PT 280  Rehabilitation  5
- PT 280W  Rehabilitation
- PT 281  Rehabilitation-1
- PT 282  Rehabilitation-2
- PT 281  Rehabilitation-1
- PT 282W  Rehabilitation-2W

1 Courses that include clinical education experiences may require the student to travel long distances or obtain housing near the assigned clinic. Housing and transportation arrangements are the responsibility of the student.

Academic Advising
The objectives of the university's academic advising program are to help advisees identify and achieve their academic goals, to promote their intellectual discovery, and to encourage students to take advantage of both in-and out-of class educational opportunities in order that they become self-directed learners and decision makers.

Both advisers and advisees share responsibility for making the advising relationship succeed. By encouraging their advisees to become engaged in their education, to meet their educational goals, and to develop the habit of learning, advisers assume a significant educational role. The advisee's unit of enrollment will provide each advisee with a primary academic adviser, the information need to plan the chosen program of study, and referrals to other specialized resources.

Total Credits 70

---

1. PT 100 - Students are required to complete eight observation hours at two different clinical facilities in preparation for this course. See [http://www.ma.psu.edu/Academics/Degrees/31395.htm](http://www.ma.psu.edu/Academics/Degrees/31395.htm) for more information.
2. PT 271 - This course satisfies the University Writing Across the Curriculum requirement. The clinical practicum component of this course is a three week full-time experience in a physical therapy practice setting.
3. All students are required to be currently certified in CPR for participation in PT 395E, PT 395F, and PT 395G. Students may attain the certification through KINES 13, which can be taken any semester.
4. ENGL 202C, PSYCH 212, HDFS 229, PSYCH 270 - Students will select ONE of the following: ENGL 202C - Technical Writing (requires 4th semester standing), PSYCH 212 Introduction to Developmental Psychology, HDFS 229 - Infant and Child Development, or PSYCH 270 - Introduction to Abnormal Psychology. Not all of these courses are offered each semester at the Mont Alto campus.
5. PT 395F - This is a six week clinical practicum that is a full-time experience in a physical therapy practice setting.
6. PT 395G - This is a six week clinical practicum that is a full-time experience in a physical therapy practice setting.

**Advising Notes:**

- A student’s career/graduate school plans should be considered in developing an individual academic plan. Be sure to consult with an adviser in this department when scheduling courses.
- Humanities or Arts: It is highly recommended the Arts, Humanities, and General Quantification courses be taken in the first two semesters of the PTA Program curriculum. The sequence in which these courses are taken is per student selection.
- Quantification: Choose any Quantification (GQ) course that is available at Mont Alto of the World Campus. Typically students elect to take one of the following: MATH 17 Finite Math, MATH 21 College Algebra, MATH 34 Math of Money, STAT 100 Statistical Concepts and Reasoning, STAT 200 Elementary Statistics (4 credits), PHIL 12 Symbolic Logic. Note that not all Quantification courses are available every semester at the Mont Alto campus. Other General Quantification courses may be available that will satisfy this General Education requirement of Associate Degree programs. It is highly recommended that the Arts, Humanities, and General Quantification courses be taken in the first two semesters of the PTA Program curriculum. The sequence in which these courses are taken is per student selection.
- US/IL requirement is recommended to completed through the GH/GA credits.

---

**University Requirements and General Education Notes:**

‡ Course requires a grade of C or better for General Education
# Course is an Entrance to Major requirement
† Course satisfies General Education and degree requirement

University Requirements and General Education Notes:

US and IL are abbreviations used to designate courses that satisfy University Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

GWS, GQ, GN, GA, GH, and GS are abbreviations used to identify General Education program courses. General Education includes Foundations (GWS and GQ) and Knowledge Domains (GN, GA, GH, and GS). Foundations courses (GWS and GQ) require a grade of “C” or better.

Integrative Studies courses can be completed for the General Education program. N is the suffix at the end of a course number used to designate an Inter-Domain course and Z is the suffix at the end of a course number used to designate a Linked course.

Program Notes

Students must complete a 3-credit course in "United States Cultures (US)" or a 3-credit course in "International Cultures (IL)."

Career Paths

The Physical Therapist Assistant program prepares its graduates for positions in a number of traditional and non-traditional career settings and for opportunities for higher education.

Careers

Physical Therapist Assistants provide health care services to patients of all ages and health conditions in a variety of settings, including: outpatient clinics, hospitals, inpatient rehabilitation facilities, skilled nursing, extended care or sub-acute facilities, home, education or research centers, schools, hospices, industrial, workplace or other occupational environments, fitness center and sports training facilities. PTA must graduate from a CAPTE-accredited program and are required to obtain licensure in most states to work. Students seeking licensure as a PTA must apply to the licensing authority of the jurisdiction (state) in which the graduate is seeking licensure and then register for the National Physical Therapy Examination for PTAs administered by the Federation of State Boards of Physical Therapy.

More Information About PT/PTA Careers (http://www.apta.org/Careers)

Opportunities for Graduate Studies

Many students choose to continue their education at Penn State and complete bachelor's degrees in a variety of disciplines, including: Rehabilitation and Human Services; Letters, Arts and Sciences; Human Development and Family Studies; or other related field of study. Advisers assist interested students in completing bachelor's degrees and meeting prerequisite qualifications to apply for doctoral degrees in physical therapy (DPT) or other field of graduate study.
