

# RECREATION, PARK, AND TOURISM MANAGEMENT, B.S. (UNIVERSITY COLLEGE)

**Begin Campus:** Any Penn State Campus

**End Campus:** Greater Allegheny

## Program Description

*Not all options are available at every campus. Contact the campus you are interested in attending to determine which options are offered.*

The program prepares students for supervisory and administrative positions with park systems, environmental centers, commercial recreation and tourism agencies, golf courses, hospitals and assisted living facilities, private voluntary agencies, schools and colleges, and other commercial, nonprofit, and public organizations that provide recreation and leisure services. The program combines a broad educational foundation with specific courses designed to accommodate career interests in recreation, park, and tourism management. The program helps students gain the theoretical, managerial, technical, and experiential skills they need to become the next generation of leaders in the field. Students work full-time for twelve weeks with professionals in a setting of their choice.

Four (4) options are offered:

1. Commercial Recreation and Tourism Management
2. Community Recreation Management
3. Professional Golf Management
4. Outdoor Recreation Management

### Commercial Recreation and Tourism Management Option

**Available at the following campuses:** *Abington, Greater Allegheny, University Park, World Campus*

This option focuses on management in the private/commercial, non-profit, and public sectors of recreation/leisure services. The private/commercial focus will be of interest to students seeking careers in a variety of commercial settings such as resorts; theme parks, convention centers; sports and fitness facilities, including arenas and stadiums; tourism promotion/planning agencies; and employee recreation departments within corporations. This focus will also appeal to students wishing to become entrepreneurs.

### Community Recreation Management Option

**Available at the following campuses:** *Abington, Greater Allegheny, University Park*

For those interested in the community, public, or non-profit sectors, the Community Recreation Management Option prepares students for positions within municipal, state, and federal government agencies; recreation divisions of the armed services; YMCA agencies; United Way agencies; scouting organizations; university-affiliated units such as student unions, intramural and alumni services; and other non-profit organizations.

### Professional Golf Management Option

**Available at the following campuses:** *University Park*

Accredited by the Professional Golfers' Association of America, the Professional Golf Management Option prepares students for careers in the golf industry. Students will be prepared to assess leadership and management principles including customer service, interpersonal skills, business communication, conflict resolution, time management, negotiating, project management, marketing, and community relations. In addition to the core curriculum, the program has a strong business focus and is drawn from several nationally recognized academic disciplines on campus.

### Outdoor Recreation Management Option

**Available at the following campuses:** *University Park*

This option prepare students for careers in Outdoor Experiential Leadership (OEL) and/or Park Management and Environmental Interpretation (PMEI). The OEL track emphasizes outdoor experiential leadership, including wilderness experiences and personal development. The PMEI track focuses on natural and cultural history environmental interpretation and education and the social science of conservation. The third track provides a flexible route for students to combine parts of the OEL and PMEI to create a meaningful personalized set of courses that could include study abroad experiences and prepare students for international contexts of recreation management. The outdoor recreation option is of interest to students seeking employment in a variety of recreation and park venues (local, state, and national from urban to wilderness) offering outdoor activities and personal development to the public.

## What is Recreation, Park and Tourism Management?

Faculty in Recreation, Park and Tourism Management (RPTM) teach and conduct research and outreach in the areas of recreation, park management, golf management and tourism to address how humans derive benefits from leisure activities. RPTM faculty teach and conduct research in variety of disciplinary and interdisciplinary perspectives to better understand the natural, psychological, social, economic, and cultural systems that influence human behavior in the context of recreation, parks and tourism. Our interdisciplinary, systems approach enables us to address issues of human well being, and sustainable development through curricula and innovative research programs. Our mission is to transform human health and well-being through engaging people in recreation, park, tourism and leisure activities.

### You Might Like This Program If...

Our world-class faculty members help make a difference for you by:

- Engaging students in hands-on learning.
- Providing opportunities for international experiences.
- Encouraging involvement in and out of the classroom and in professional organizations.

Our mission is to transform human health and well-being through engaging people in recreation, park, tourism, and leisure opportunities. We aim to educate and inspire you to make contributions to society, and our conceptual approach serves as the foundation of what and

how we teach. In particular, we integrate topics such as diversity, environmental sustainability, human development, health and well-being, social innovation and entrepreneurship, community, and economic development.

## Entrance to Major

Students who have completed 29.1 credits with a 2.00 cumulative grade-point average are eligible for entrance into the major. First-year students are admitted directly into the Golf Management option at the University Park campus only. In addition to the University's academic requirements, each student admitted to the Golf Management option must have a playing proficiency represented by a minimum golf handicap of 12 or lower. This must be certified in writing by a PGA member or golf coach.

## Degree Requirements

**For the Bachelor of Science degree in Recreation, Park, and Tourism Management, a minimum of 120 credits is required:**

Requirement	Credits
General Education	45
Electives	2-11
Requirements for the Major	67-74

**0-4 of the 45 credits for General Education are included in the Requirements for the Major. This includes 0-4 credits of General Education courses: 0-4 credits of GQ courses.**

Per Senate Policy 83.80.5, the college dean or campus chancellor and program faculty may require up to 24 credits of course work in the major to be taken at the location or in the college or program where the degree is earned. RPTM requires students to complete 24 credits for the major through courses taken at University Park. Courses taken at other Penn State campuses may not be counted toward this 24 credit minimum. For more information, check the Recommended Academic Plan for this major.

## General Education

Connecting career and curiosity, the General Education curriculum provides the opportunity for students to acquire transferable skills necessary to be successful in the future and to thrive while living in interconnected contexts. General Education aids students in developing intellectual curiosity, a strengthened ability to think, and a deeper sense of aesthetic appreciation. These are requirements for all baccalaureate students and are often partially incorporated into the requirements of a program. For additional information, see the General Education Requirements (<http://bulletins.psu.edu/undergraduate/general-education/baccalaureate-degree-general-education-program/>) section of the Bulletin and consult your academic adviser.

The keystone symbol appears next to the title of any course that is designated as a General Education course. Program requirements may also satisfy General Education requirements and vary for each program.

### Foundations (grade of C or better is required.)

- **Quantification (GQ):** 6 credits
- **Writing and Speaking (GWS):** 9 credits

### Knowledge Domains

- **Arts (GA):** 6 credits
- **Health and Wellness (GHW):** 3 credits
- **Humanities (GH):** 6 credits

- **Social and Behavioral Sciences (GS):** 6 credits
- **Natural Sciences (GN):** 9 credits

### Integrative Studies (may also complete a Knowledge Domain requirement)

- **Inter-Domain or Approved Linked Courses:** 6 credits

## University Degree Requirements

### First Year Engagement

All students enrolled in a college or the Division of Undergraduate Studies at University Park, and the World Campus are required to take 1 to 3 credits of the First-Year Seminar, as specified by their college First-Year Engagement Plan.

Other Penn State colleges and campuses may require the First-Year Seminar; colleges and campuses that do not require a First-Year Seminar provide students with a first-year engagement experience.

First-year baccalaureate students entering Penn State should consult their academic adviser for these requirements.

### Cultures Requirement

6 credits are required and may satisfy other requirements

- United States Cultures: 3 credits
- International Cultures: 3 credits

### Writing Across the Curriculum

3 credits required from the college of graduation and likely prescribed as part of major requirements.

### Total Minimum Credits

A minimum of 120 degree credits must be earned for a baccalaureate degree. The requirements for some programs may exceed 120 credits. Students should consult with their college or department adviser for information on specific credit requirements.

### Quality of Work

Candidates must complete the degree requirements for their major and earn at least a 2.00 grade-point average for all courses completed within their degree program.

### Limitations on Source and Time for Credit Acquisition

The college dean or campus chancellor and program faculty may require up to 24 credits of course work in the major to be taken at the location or in the college or program where the degree is earned. Credit used toward degree programs may need to be earned from a particular source or within time constraints (see Senate Policy 83-80 (<http://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#83-80>)). For more information, check the Suggested Academic Plan for your intended program.

## Requirements for the Major

To graduate, a student enrolled in the major must earn a grade of C or better in each course designated by the major as a C-required course, as specified by Senate Policy 82-44 (<http://senate.psu.edu/policies-and-rules-for-undergraduate-students/82-00-and-83-00-degree-requirements/#82-44>).

## Academic Advising

The objectives of the university's academic advising program are to help advisees identify and achieve their academic goals, to promote their intellectual discovery, and to encourage students to take advantage of both in-and out-of class educational opportunities in order that they become self-directed learners and decision makers.

Both advisers and advisees share responsibility for making the advising relationship succeed. By encouraging their advisees to become engaged in their education, to meet their educational goals, and to develop the habit of learning, advisers assume a significant educational role. The advisee's unit of enrollment will provide each advisee with a primary academic adviser, the information needed to plan the chosen program of study, and referrals to other specialized resources.

**University Requirements and General Education Notes:**

US and IL are abbreviations used to designate courses that satisfy University Requirements (United States and International Cultures).

W, M, X, and Y are the suffixes at the end of a course number used to designate courses that satisfy University Writing Across the Curriculum requirement.

GWS, GQ, GHW, GN, GA, GH, and GS are abbreviations used to identify General Education program courses. General Education includes Foundations (GWS and GQ) and Knowledge Domains (GHW, GN, GA, GH, GS, and Integrative Studies). Foundations courses (GWS and GQ) require a grade of 'C' or better.

Integrative Studies courses are required for the General Education program. N is the suffix at the end of a course number used to designate an Inter-Domain course and Z is the suffix at the end of a course number used to designate a Linked course.

All incoming Schreyer Honors College first-year students at University Park will take ENGL 137H/CAS 137H in the fall semester and ENGL 138T/CAS 138T in the spring semester. These courses carry the GWS designation and replace both ENGL 30H and CAS 100. Each course is 3 credits.

**Advising Notes:**

Within the 30 credits of required General Education Domain courses, students must take 6 credits of **Integrative Studies courses** (Inter-domain or Linked courses). If you need additional clarification, consult with your academic adviser.

## Career Paths

Four options are offered to help prepare students for management positions in public or private agencies at the federal, state, and local levels. The options offered are:

1. Commercial Recreation and Tourism Management
2. Community Recreation Management
3. Professional Golf Management
4. Outdoor Recreation Management

Management positions include, but are not limited to resorts, event management businesses, golf courses, golf industry businesses, park systems, environmental centers, university intramural and sport club programs, recreation services for the armed forces, and health care facilities. Our multidisciplinary graduate program is designed to educate students about research, theory, and practice related to leisure and recreation as experienced at the individual, societal, and cross-cultural levels. Both the M.S. program and Ph.D. program help students develop an understanding of the social, environmental, psychological, and

economic aspects of human behavior in recreation and leisure activities and also allow students to concentrate their studies in:

- Recreation/tourism management and marketing
- Commercial recreation and tourism
- Outdoor recreation and protected area management
- Community recreation
- General leisure behavior

## Careers

A degree from RPTM is suited for you if you have career interests in supervisory and administrative positions in tourism & event management, entertainment, sport & fitness venue management, professional golf management, community recreation, non-profit administration, outdoor experiential leadership, park management, environmental interpretation, natural resource management and youth & senior recreation services.
