

INTERNATIONAL SUSTAINABLE DEVELOPMENT PROJECT LAW* (IHSDP)

IHSDP 995: International Sustainable Development Project Law Clinic

1-4 Credits/Maximum of 5

The Clinic will partner with, among others, university-sponsored humanitarian engineering (HE) and social entrepreneurship (SE) programs, like Penn State's multidisciplinary HESE program, and with foreign entrepreneurs with sustainable business objectives (economic, environmental and social). Clinic students will work collaboratively in multidisciplinary teams with HESE students to develop, design, and implement humanitarian ventures in the developing world.
