

COLLEGE OF MEDICINE COURSES

A

- Anatomy - MD (ANAT) (<http://bulletins.psu.edu/university-course-descriptions/medicine/anat>)
- Anesthesiology - MD (ANSTH) (<http://bulletins.psu.edu/university-course-descriptions/medicine/ansth>)

B

- Behavioral Influences Health (BIH) (<http://bulletins.psu.edu/university-course-descriptions/medicine/bih>)
- Biological Basis of Disease (BBD) (<http://bulletins.psu.edu/university-course-descriptions/medicine/bbd>)

C

- Cardiology - MD (CAR) (<http://bulletins.psu.edu/university-course-descriptions/medicine/car>)
- Career Exploration and Synthesis (CES) (<http://bulletins.psu.edu/university-course-descriptions/medicine/ces>)
- Cellular and Molecular Basis of Medical Practice (CMBMP) (<http://bulletins.psu.edu/university-course-descriptions/medicine/cmbmp>)
- Clinical Learning Competencies (CLC) (<http://bulletins.psu.edu/university-course-descriptions/medicine/clc>)
- Complementary Alternative Medicine (CAM) (<http://bulletins.psu.edu/university-course-descriptions/medicine/cam>)
- Culinary Medicine (CULMD) (<http://bulletins.psu.edu/university-course-descriptions/medicine/culmd>)

D

- Dermatology - MD (DERM) (<http://bulletins.psu.edu/university-course-descriptions/medicine/derm>)

E

- Emergency Medicine - MD (EMED) (<http://bulletins.psu.edu/university-course-descriptions/medicine/emed>)
- Endocrinology - MD (END) (<http://bulletins.psu.edu/university-course-descriptions/medicine/end>)
- Endocrinology and Reproductive Medicine (ENREP) (<http://bulletins.psu.edu/university-course-descriptions/medicine/enrep>)
- Evidence-Based Medicine I (EBM) (<http://bulletins.psu.edu/university-course-descriptions/medicine/ebm>)

F

- Family and Community Medicine - MD (FCMED) (<http://bulletins.psu.edu/university-course-descriptions/medicine/fcmed>)
- Foundations of Clinical Medicine (FCM) (<http://bulletins.psu.edu/university-course-descriptions/medicine/fcm>)
- Foundations of Patient Centered Care (FPCC) (<http://bulletins.psu.edu/university-course-descriptions/medicine/fpcc>)

G

- Gastroenterology - MD (GI) (<http://bulletins.psu.edu/university-course-descriptions/medicine/gi>)

- Global Health (GH) (<http://bulletins.psu.edu/university-course-descriptions/medicine/gh>)

H

- Hematology - MD (HEM) (<http://bulletins.psu.edu/university-course-descriptions/medicine/hem>)
- Humanities - MD (HMN) (<http://bulletins.psu.edu/university-course-descriptions/medicine/hmn>)

I

- Integrated Science (INTSC) (<http://bulletins.psu.edu/university-course-descriptions/medicine/intsc>)

M

- Medical Clerkship Island - MD (MCLKS) (<http://bulletins.psu.edu/university-course-descriptions/medicine/mclks>)
- Medical Ethics Professionalism (MEP) (<http://bulletins.psu.edu/university-course-descriptions/medicine/mep>)
- Medical Home Curriculum (MHC) (<http://bulletins.psu.edu/university-course-descriptions/medicine/mhc>)
- Medical Triage and Resuscitation (MEDTR) (<http://bulletins.psu.edu/university-course-descriptions/medicine/medtr>)
- Medicine - MD (MED) (<http://bulletins.psu.edu/university-course-descriptions/medicine/med>)
- Musculoskeletal Medicine - MD (MSC) (<http://bulletins.psu.edu/university-course-descriptions/medicine/msc>)
- Musculoskeletal System (MSK) (<http://bulletins.psu.edu/university-course-descriptions/medicine/msk>)
- Musculoskeletal System Dermatology Rheumatology (MSDR) (<http://bulletins.psu.edu/university-course-descriptions/medicine/msdr>)

N

- Neural and Behavioral Science (NBS) (<http://bulletins.psu.edu/university-course-descriptions/medicine/nbs>)
- Neuroscience - MD (NEURO) (<http://bulletins.psu.edu/university-course-descriptions/medicine/neuro>)
- Neurosurgery (NSURG) (<http://bulletins.psu.edu/university-course-descriptions/medicine/nsurg>)

O

- Obstetrics and Gynecology - MD (OBYN) (<http://bulletins.psu.edu/university-course-descriptions/medicine/obgyn>)
- Ophthalmology (OPHTH) (<http://bulletins.psu.edu/university-course-descriptions/medicine/opth>)
- Orthopaedics (ORTHO) (<http://bulletins.psu.edu/university-course-descriptions/medicine/ortho>)

P

- Pathology - MD (PATH) (<http://bulletins.psu.edu/university-course-descriptions/medicine/path>)
- Patients and Sciences (PS) (<http://bulletins.psu.edu/university-course-descriptions/medicine/ps>)
- Pediatrics - MD (PED) (<http://bulletins.psu.edu/university-course-descriptions/medicine/ped>)
- Physical Medicine and Rehabilitation (PMR) (<http://bulletins.psu.edu/university-course-descriptions/medicine/pmr>)

- Physician Assistant Studies (PAS) (<http://bulletins.psu.edu/university-course-descriptions/medicine/pas>)
- Primary Care Medicine (PCMED) (<http://bulletins.psu.edu/university-course-descriptions/medicine/pcmed>)
- Problem-Based Learning Facilitation - MD (PBL) (<http://bulletins.psu.edu/university-course-descriptions/medicine/pbl>)
- Profession of Medicine (POM) (<http://bulletins.psu.edu/university-course-descriptions/medicine/pom>)
- Profession of Medicine II (POMII) (<http://bulletins.psu.edu/university-course-descriptions/medicine/pomii>)
- Psychiatry - MD (PSCHT) (<http://bulletins.psu.edu/university-course-descriptions/medicine/pscht>)
- Pulmonary Medicine - MD (PLM) (<http://bulletins.psu.edu/university-course-descriptions/medicine/plm>)

R

- Radiology (RAD) (<http://bulletins.psu.edu/university-course-descriptions/medicine/rad>)
- Renal Medicine - MD (REN) (<http://bulletins.psu.edu/university-course-descriptions/medicine/ren>)
- Reproductive Medicine - MD (REP) (<http://bulletins.psu.edu/university-course-descriptions/medicine/rep>)
- Respiratory Medicine (RESP) (<http://bulletins.psu.edu/university-course-descriptions/medicine/resp>)

S

- Sciences Health Systems (SHS) (<http://bulletins.psu.edu/university-course-descriptions/medicine/shs>)
- Scientific Principles of Medicine (SPM) (<http://bulletins.psu.edu/university-course-descriptions/medicine/spm>)
- Social Influences on Health (SIH) (<http://bulletins.psu.edu/university-course-descriptions/medicine/sih>)
- Socio-Ecological Medicine (SOEM) (<http://bulletins.psu.edu/university-course-descriptions/medicine/soem>)
- Structural Basis of Medical Practice (SBMP) (<http://bulletins.psu.edu/university-course-descriptions/medicine/sbmp>)
- Students as Educators (SAE) (<http://bulletins.psu.edu/university-course-descriptions/medicine/sae>)
- Surgery - MD (SURG) (<http://bulletins.psu.edu/university-course-descriptions/medicine/surg>)

T

- Transition Clinical Medicine (TCM) (<http://bulletins.psu.edu/university-course-descriptions/medicine/tcm>)
- Translating Health Systems Science (THS) (<http://bulletins.psu.edu/university-course-descriptions/medicine/thhs>)

U

- Underserved Medicine and Domestic Health (UMDH) (<http://bulletins.psu.edu/university-course-descriptions/medicine/umdh>)
